We request a proposal from your firm for the Spokane Viaduct Widening. We are accepting quotes for the following services/supplies: *Div 1 General Services & Supplies, Div 2 Earthwork, Div 4 Bases, Div 5 Surface Treatments and Pavements, Div 6 Structures, Div 7 Storm Drains, Culverts and Combined Sewers, Div 8 Electrical/Miscellaneous, Div 9 Materials*

Subcontractors and suppliers can access plans and specifications, free of charge, online at the City of Seattle Procurement website (<http://www.ebidexchange.com/seattle>)*. Follow these links for access: Solicitations → Spokane Viaduct Widening (click view in the far left column) → Documents.
To have access to view or download the documents, you will be required to register at the site.

In order to assist certified Disadvantage Business Enterprise Contractors and Suppliers, we will divide total requirements into smaller tasks or quantities and establish delivery and construction schedules which will permit maximum participation of disadvantaged businesses where feasible.

All subcontractors and material suppliers are required to execute our standard "Subcontract Agreement"/"Material Contract". We require 100% Performance and Payment, or Supply Bonds. If you have questions regarding these contract agreements, please contact us for a copy.

We are an Equal Opportunity Employer
